**AIRPORT CONCESSIONS DISADVANTAGED BUSINESS ENTERPRISE
CONTRACT GOALS**

PROJECT # FC-8510, Branded Coffee Concourse A (RFP) at Hartsfield-Jackson Atlanta International Airport

The Airport Concessions Disadvantaged Business Enterprise (ACDBE) contract goal for this project is:

41.0%

ACDBE participation may be in the form of a prime contractor, joint venture, or sub-contractor arrangement. The above referenced goal will be measured against **total gross revenue earned (prior to the deduction of any expenses, e.g., advertising, insurance, equipment, etc.)** throughout the life of the project.

*****NOTE:** Once a successful proponent has been identified, OCC will work with that proponent to ensure that opportunities are maximized in the utilization of **certified ACDBE firms** during the construction build-out of the concession space(s), as well as any on-going supply opportunities. Participation in these areas must be contemplated independently, and not be included in the participation plan proponents submit in their efforts to meet the 41.0% goal stated above.

MONITORING OF ACDBE POLICY

The City of Atlanta will require prime contractors to maintain records, documents, and receipts of gross revenue attributed to ACDBEs for three years following the performance of the contract. Those records must be made available for inspection upon request by any authorized representative of the City of Atlanta or DOT. This reporting requirement also extends to any certified DBE subcontractor.

The City of Atlanta will keep a running tally of actual gross receipts attributed to the ACDBE firms from the time of the contract award.

The City of Atlanta's Office of Contract Compliance, or its designee, will perform interim audits of gross receipts and contract payments to ACDBEs if applicable. The audit will review payments to ACDBE subcontractors to ensure that the actual amount paid to ACDBE subcontractors equals or exceeds the dollar amounts stated in the schedule of ACDBE participation.
