RE: Project No.: FC-8707, Fleet Management System

Dear Prospective City of Atlanta Bidder:

The above referenced contracting opportunity has been designated for **competition by and between City of Atlanta Certified Small Business Enterprises (SBEs) only**. The Office of Contract Compliance (OCC) information is an integral part of every City of Atlanta bid. All Bidders are required to make efforts to demonstrate compliance with all program requirements at or prior to the time of Bid opening, or upon request by OCC. Sheltered market program requirements mandate that the successful City of Atlanta Certified SBE awardee self perform a percentage of the work scope associated with the contract. The successful proponent will receive participation credit for the dollar value of its' self performance. Bidders are required to ensure that all prospective subcontractors, vendors, suppliers and other potential participants are not denied opportunities to compete for work on a City contract and afford all firms, including Small Business Enterprises (SBE) opportunities to participate in the performance of the business of the City to the extent of their availability, capacity and willingness to compete. Pay close attention to the specific SBE sheltered market goals for this project and the SBE sheltered market program reminders listed on page 5.

Additionally, as the City of Atlanta is developing its Small Business Enterprise database, prime bidders are encouraged to utilize OCC's EBO/SBO Program certification application to achieve SBE certification. All firms interested in bidding on this project must be certified as a SBE with the City of Atlanta or have an application for SBE certification submitted to OCC no later than the date and time of the bid opening. City of Atlanta Certified SBE prime proponents must meet the size standards of the United States Small Business Administration Guidelines related to restaurant operators/owners [see 13 C.F.R. § 121.201 (and further explained in 13 C.F.R. §§ 121.104 through 121.107)]. These requirements may be accessed via the internet by visiting: <http://ecfr.gpoaccess.gov/> and choosing "Title 54- Software Implementation" from the browseable drop down field.

If you have any questions about the information included in this section of the solicitation, please contact the City of Atlanta Office of Contract Compliance at (404) 330-6010.

The City of Atlanta looks forward to the opportunity to do business with your company.

CITY OF ATLANTA

SMALL BUSINESS ENTERPRISE SHELTERED MARKET

POLICY STATEMENT

It is the policy of the City of Atlanta to promote full and equal business opportunity for all persons doing business with the City. On a contract by contract basis, the director of the office of contract compliance in consultation with the Chief Procurement Officer will designate certain procurements as **sheltered market procurement opportunities**. The purpose of the Small Business Enterprise Sheltered Market Program is to ensure that the City of Atlanta has a robust race-neutral approach to promoting full and equal business opportunity for all persons doing business with the City of Atlanta. Additionally, The City seeks to promote the growth and development of small businesses through mandated self performance of minimum threshold portions of the scope of the contracting opportunities. The City believes this approach assists in its' effort to promote commerce by assisting SBEs to actively participate in the City's procurement process, and ensure that the City of Atlanta utilizes programs that provide it with the best possible resources. SBE sheltered market requirements and goals for this project are set forth on page 6.

Implementation of SBE Sheltered Market Policy

The sheltered market designation shall be made only when there is a reasonable expectation that bids will be obtained from at least three responsible COA certified SBEs and that the award will be made at a fair market price. The director of the Office of Contract Compliance and Chief Procurement Officer may agree, with consultation and agreement with the Commissioner of the user agency or his or her designee, to designate certain contracts of a pre-determined expected dollar value for **competition by and between SBEs only**, except for those contracts pertaining to Municipal Street Systems, as described in O.C.G.A. § 32-4-1 et seq., pertaining to public works construction as described in O.C.G.A. § 36-91-1 et seq. or other projects for which a sheltered market would conflict with state law. A sheltered market procurement of a single acquisition or a class of acquisitions may be total or partial. The director of the Office of Contract Compliance and the Chief Procurement Officer may designate a portion of an acquisition as a sheltered market procurement, except for construction.

OCC Review of Bidder Submissions

The Office of Contract Compliance shall determine whether a Bidder has satisfied "certified SBE prime proponent" requirement of the sheltered market program and will determine whether a Certified SBE Prime proponent has satisfied the good faith efforts requirement of section 2-1372 based on its review of the Covenant of Non Discrimination, the Outreach Efforts Documentation, the SBE Project Participation Plan, and its review of other relevant facts and circumstances. In reviewing the documents submitted by a Bidder to determine whether the Bidder has satisfied the good faith outreach practices requirement of this section, the Office of Contract Compliance will consider, among other things, the total project dollars self performed, subcontracted to, and/or expended for services performed by all businesses (including certified SBEs), whether such businesses perform Commercially Useful Functions in the work of the contract based upon standard industry trade practices, whether any amounts paid to Supplier businesses are for goods customarily and ordinarily used based upon standard industry trade practices, and the availability of certified SBEs within the relevant NAICS Codes for such Eligible Project.

Small Business Enterprise Program Bid/RFP Submittals

The Covenant of Non Discrimination, the Outreach Efforts Documentation, the SBE Sheltered Market Project Participation Plan, and any other information required by OCC in the solicitation document must be completed in their entirety by each Proponent and submitted with the other required Bid/RFP documents in order for the Bid/RFP to be considered responsive. Failure to timely submit these forms, fully completed, will result in the Bid/RFP being considered as non-responsive, and therefore, excluded from consideration.

Monitoring Of SBE Sheltered Market Policy

Upon execution of a contract with the City of Atlanta, the successful bidder's SBE Sheltered Market Project Participation Plan will become a part of the contract between the bidder and the City of Atlanta. The SBE Sheltered Market Project Participation Plan will be monitored by the City of Atlanta's Office of Contract Compliance for adherence with the plan. The successful bidder will be required to provide specific information on a monthly basis that demonstrates the accuracy of reported self performance dollars and percentages, the use of subcontractors and suppliers where applicable as indicated on the SBE Sheltered Market Project Participation Plan. The failure of the successful bidder to provide the specific information by the specified date each month shall be sufficient cause for the City to evoke penalties as set forth in the City of Atlanta Code of Ordinances, Section 2-1373.

Implementation of EEO Policy

The City effectuates its EEO policy by adopting racial and gender work force availability for every contractor performing work for the City of Atlanta. These percentages are derived from the work force demographics set forth in the 2000 Census EEO file prepared by the United States Department of Commerce for the applicable labor pool normally utilized for the contract.

Monitoring of EEO Policy

Upon award of a contract with the City of Atlanta, the successful bidder must submit a Contract Employment Report (CER), describing the racial and gender make-up of the firm's work force. If the CER indicates that the firm's demographic composition does not meet the adopted EEO goals, the firm will be required to submit an affirmative action plan setting forth the steps to be taken to reach the adopted goals. The CER and the affirmative action plan, if necessary, will become a part of the contract between the successful bidder and the City of Atlanta. Compliance with the EEO requirements will be monitored by the Office of Contract Compliance.
