Exhibit A sets forth the following: (a) the period of time during which the Services will be provided; (b) a description of the Services to be provided; (c) the amounts payable and payment schedule for the Services; and (d) any additional provisions applicable to the Services. If any services to be performed are not specifically included on Exhibit A, but are reasonably necessary to accomplish the purpose of this Agreement, they will be deemed to be implied in the scope of the Services to the same extent as if specifically described on **Exhibit A**.

Unless otherwise expressly provided in this Agreement, all equipment, software, Facilities and Service Provider Personnel required for the proper performance of Services shall be furnished by and be under the control of Service Provider. #### **5.3 Change Documents.**

5.3.1 This section will govern changes to the Agreement, whether such changes involve an increase in the Maximum Payment Amount or not. Changes in the Services or other aspects of this Agreement shall be made by written document (“Change Document” or “Unilateral Change Document”).<sup>3</sup> All changes shall be implemented pursuant to this subsection (the “Change Document Procedures”) and any Applicable Law.

---

<sup>2</sup> For purposes of this provision, authorized changes to an item listed in the order of precedence pursuant to a Change Document take precedence over the particular item changed.

<sup>3</sup> Change Documents may assume numerous multiple forms and titles depending on the nature of the change involved (e.g. Change Order, Unilateral Change Order, Amendment, Contract Modification, Renewal, etc.).

5.3.2 Potential Change Documents that may be issued concerning this Agreement include, but are not limited to:

If, during the Term of this Agreement, legislation establishing a Maximum Payment Amount for the following year is not enacted, this Agreement will terminate in its entirety on the last day of the annual term for which a Maximum Payment Amount has been legislatively authorized.

18.6 Effect of Termination. Unless otherwise provided herein, termination of this Agreement, in whole or in part and for any reason, shall not affect: (a) any liabilities or obligations of either Party arising before such termination or out of the events causing such termination; or (b) any remedies to which a Party may be entitled under this Agreement, at law or in equity. Upon termination of this Agreement, Service Provider shall immediately: (i) discontinue Services on the date and to the extent specified in the notice and place no further purchase orders or subcontracts to the extent that they relate to the performance of the terminated Services; (ii) inventory, maintain and turn over to City all work product, licenses, equipment, materials, plant, tools, and property furnished by Service Provider or provided by City for performance of the terminated Services; (iii) promptly obtain cancellation, upon terms satisfactory to City, of all purchase orders, subcontracts, rentals or any other agreements existing for performance of the terminated Services, or assign those agreements, as directed by City; (iv) comply with all other reasonable requests from City regarding the terminated Services; and (v) continue to perform in accordance with all of the terms and conditions of this Agreement any portion of the Services that are not terminated.

**CITY OF ATLANTA**  
**SMALL BUSINESS OPPORTUNITY PROGRAM**  
**POLICY STATEMENT**

It is the policy of the City of Atlanta to promote full and equal business opportunity for all persons doing business with the City. The City must ensure that firms seeking to participate in contracting and procurement activities with the City are not prevented from doing so on the basis size as it relates to revenue and number of employees. The City is committed to ensuring that it is not a passive participant in any private scheme of discrimination. To ensure that businesses are not discriminated against with regard to prime contracting, subcontracting or other partnering opportunities with the City, the City has developed its' various diversity inclusion programs. The purpose of the Small Business Opportunity Program is to ensure that the City of Atlanta has a robust race-neutral approach to promoting full and equal business opportunity for all persons doing business with the City of Atlanta, to promote commerce by assisting Small Business Enterprises (SBEs) to actively participate in the City's procurement process, and ensure that the City of Atlanta utilizes programs that provide it with the best possible resources.

It is also the policy of the City of Atlanta to actively promote equal employment opportunities for minority and female workers and prohibit discrimination based upon race, religion, color, sex, national origin, marital status, physical handicap or sexual orientation through the City's Equal Employment Opportunity (EEO) Program. The purpose of these program is to mitigate the present and ongoing effects of the past and present discrimination against women and minority workers so that opportunity, regardless of race or gender, will become institutionalized in the Atlanta marketplace. It is important to note that all bidders, without exception, including firms that are Small Business Enterprises themselves must comply with the City of Atlanta's SBO and EEO Program requirements. Goals for minority and female business enterprises are set for this project on page 6.

## Implementation of SBO Policy

The Office of Contract Compliance will review information submitted by Bidders pertaining to efforts to promote opportunities for small businesses to compete for business as subcontractors and/or suppliers. A Bidder is eligible to be further considered for award of a City contract upon a finding by OCC that the Bidder has engaged in, and provided with its bid submission documentation of efforts to ensure that its process of soliciting, evaluating and awarding subcontracts, placing orders, and partnering with other companies has been non-discriminatory. To assist prime contractors in this effort, the Office of Contract Compliance has set forth in this solicitation document the SBE goals within the relevant NAICS Codes, for this Project.

For subcontracting, the Subcontractor Project Plan must include all subcontractors (both small and non-small business enterprises) to be utilized on the project, detail the services to be performed, the dollar value of the work to be performed by each subcontractor, and the City of Atlanta SBE certification number and supplier id number as applicable.

For suppliers, the Subcontractor Project Plan must include all subcontractors (both small and non-small business enterprises), the supplies to be provided, including the dollar value of the supplies being provided and the City of Atlanta SBE certification number and supplier id number as applicable.

## Determination of Non-discrimination During Bid Process

No Bidder shall be awarded a contract on an Eligible Project unless the Office of Contract Compliance determines that the Bidder has satisfied the non-discrimination requirements of section 2-1372 on such Eligible Project. Accordingly, each Bidder shall submit with each Bid the following

1. Covenant of Non Discrimination. Each Bidder shall submit with her/his Bid a Covenant of Non-Discrimination which is set forth herein as Exhibit SBO1.
2. Outreach efforts documentation. Each bidder shall submit with her/his bid written documentation demonstrating the bidder's outreach efforts to identify, contact, contract with, or utilize businesses, including certified SBEs as subcontractors or suppliers on the contract. This information shall be set forth on Exhibit SBO2, which is included herein.
3. Subcontractor project plan. Each bidder shall submit with her/his bid a completed and signed subcontractor project plan, in a form approved and provided by the office of contract compliance, which lists the name, address, telephone number and contact person of each subcontractor or other business to be used in the contract, the NAICS Code and the type of work or service each business will perform, the dollar value of the work and the scope of work, the ownership of each business, certification number of each business, and any other information requested by the office of contract compliance. In order for the office of contract compliance to officially consider a firm to be an SBE, the SBE firm must be certified by or have a certification application pending with the office of contract compliance prior to the bidder's submission of the bid. The subcontractor project plan shall not be changed or altered after approval of the plan and award of the contract without the written approval of the director of the office of contract compliance. A written letter to the director of the office of contract compliance requesting approval to change the subcontractor project plan must be submitted prior to any change in the plan or termination of an SBE's contract.

## OCC Review of Bidder Submissions

The Office of Contract Compliance shall determine whether a Bidder has satisfied the non-discrimination requirements of section 2-1448 based on its review of the Covenant of Non Discrimination, the Outreach Efforts Documentation, the Subcontractor Project Plan, and its review of other relevant facts and circumstances, including complaints received as part of the bid process. In reviewing the documents submitted by a Bidder to determine whether the Bidder has satisfied the non-discriminatory practices requirement of this section, the Office of Contract Compliance will consider, among other things, the total project dollars subcontracted to or expended for services performed by other businesses, including certified SBEs, whether such businesses perform Commercially Useful Functions in the work of the contract based upon standard industry trade practices, whether any amounts paid to Supplier businesses are for goods customarily and ordinarily used based upon standard industry trade practices, and the availability of certified SBEs within the relevant NAICS Codes for such Eligible Project.

(a) **Receipt of Complaint of Discrimination in the Bid Process**

The office of contract compliance shall accept complaints of alleged discrimination during the bid process regarding any participant in the bid process. Where the complaint of discrimination is specific to the procurement which is under consideration by the city, the office of contract compliance may investigate said complaint, determine its validity, and determine whether the actions complained of impact the bidder's responsiveness on the specific procurement. Allegations of discrimination based on events, incidents or occurrences which are unrelated to the specific procurement will be placed in the bidder's file maintained in the vendor relations database and handled in accordance with the procedure established in the city's vendor relations subdivision, section 2-1465, et seq.

(b) **Determination of Violation of SBO Process**

Where the office of contract compliance investigates a complaint of discrimination that is related to the specific bid process, the details of that investigation, including findings, shall be recorded and maintained in the vendor relations database, pursuant to section 2-1471.

(c) **Office of Contract Compliance Determination of Non-Compliance**

When, based upon the totality of the circumstances, the office of contract compliance determines that a bidder fails to satisfy the requirements of section 2-1448(a) of a city bid solicitation, the director of the office of contract compliance shall present a written determination of non-compliance to the Chief Procurement Officer which states the determination and lists the reasons for the determination. A bid that does not comply with the requirements set forth in section 2-1448(a) shall be deemed non-responsive and rejected.

### **Small Business Opportunity Program Bid/RFP Submittals**

The Office of Contract Compliance will make any determination of non-responsiveness. The covenant of non-discrimination, the outreach efforts documentation, the subcontractor project plan, and any other information required by OCC in the solicitation document pursuant to section 2-1448 must be completed in their entirety by each bidder and submitted with the other required bid documents in order for the bid to be considered as a responsive bid. Failure to timely submit these forms, fully completed, will result in the bid being considered as a non-responsive bid, and therefore, excluded from consideration.

### **Monitoring Of SBO Policy**

Upon execution of a contract with the City of Atlanta, the successful bidder's Subcontractor Project Plan will become a part of the contract between the bidder and the City of Atlanta. The Subcontractor Project Plan will be monitored by the City of Atlanta's Office of Contract Compliance for adherence with the plan. The successful bidder will be required to provide specific EBO information on a monthly basis that demonstrates the use of subcontractors and suppliers as indicated on the Subcontractor Project Plan. The failure of the successful bidder to provide the specific EBO information by the specified date each month shall be sufficient cause for the City to withhold approval of the successful bidder's invoices for progress payments, increase the amount of the successful bidder's retainage, require joint check issuance, or evoke any other penalties as set forth in the City of Atlanta Code of Ordinances, Sections 2-1452 and 2-1456.

### **Implementation of EEO Policy**

The City effectuates its EEO policy by adopting racial and gender work force availability for every contractor performing work for the City of Atlanta. These percentages are derived from the work force demographics set forth in the 2000 Census EEO file prepared by the United States Department of Commerce for the applicable labor pool normally utilized for the contract.

### **Monitoring of EEO Policy**

Upon award of a contract with the City of Atlanta, the successful bidder must submit a Contract Employment Report (CER), describing the racial and gender make-up of the firm's work force. If the CER indicates that the firm's demographic composition does not meet the adopted EEO goals, the firm will be required to submit an affirmative action plan setting forth the steps to be taken to reach the adopted goals. The CER and the affirmative action plan, if necessary, will become a part of the contract between the successful bidder and the City of Atlanta. Compliance with the EEO requirements will be monitored by the Office of Contract Compliance.

**DIVERSITY FIRM TERMINATION/SUBSTITUTION  
ACKNOWLEDGEMENT FORM**

As a participant in an eligible City of Atlanta (COA) diversity program contract, certain restrictions and procedures apply to the termination and substitution of a diversity certified entity by a prime concessionaire or prime contractor, as mandated by federal regulations and City ordinances. These requirements are established by 49 C.F.R. § 26.53(f), code sections 2-1356- 2-1380, and 2-1441- 2-1480 of the COA code of ordinances, as may be amended from time to time. OCC will not allow a prime concessionaire or prime contractor to substitute or terminate a diversity program certified entity without OCC's prior written consent, which will be granted only upon a written finding of good cause. OCC requires completion of a form document to accompany the reason(s) for the request to terminate and/or substitute, which is available at:

<http://www.atlantaga.gov/modules/showdocument.aspx?documentid=491>

For ease of reference, the federal requirements are quoted below:

49 C.F.R. § 26.53(f)

- (1) (i) [OCC] must require that a prime contractor not terminate a DBE[ /ACDBE] subcontractor listed in response to paragraph (b)(2) of this section (or an approved substitute DBE[ /ACDBE] firm) without [OCC's] prior written consent. This includes, but is not limited to, instances in which a prime contractor seeks to perform work originally designated for a DBE[ /ACDBE] subcontractor with its own forces or those of an affiliate, a non-DBE[ /ACDBE] firm, or with another DBE[ /ACDBE] firm.
- (ii) [OCC] must include in each prime contract a provision stating:
  - (A) That the contractor shall utilize the specific DBEs listed to perform the work and supply the materials for which each is listed unless the contractor obtains your written consent as provided in this paragraph (f); and
  - (B) That, unless your consent is provided under this paragraph (f), the contractor shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE[ /ACDBE].
- (2) [OCC] may provide such written consent only if [OCC] agree[s], for reasons stated in [OCC's] concurrence document, that the prime contractor has good cause to terminate the DBE[ /ACDBE] firm.
- (3) For purposes of this paragraph, good cause includes the following circumstances:
  - (i) The listed DBE[ /ACDBE] subcontractor fails or refuses to execute a written contract;
  - (ii) The listed DBE[ /ACDBE] subcontractor fails or refuses to perform the work of its subcontract in a way consistent with normal industry standards. Provided, however, that good cause does not exist if the failure or refusal of the DBE[ /ACDBE] subcontractor to perform its work on the subcontract results from the bad faith or discriminatory action of the prime contractor;
  - (iii) The listed DBE[ /ACDBE] subcontractor fails or refuses to meet the prime contractor's reasonable, nondiscriminatory bond requirements.
  - (iv) The listed DBE[ /ACDBE] subcontractor becomes bankrupt, insolvent, or exhibits credit unworthiness;
  - (v) The listed DBE[ /ACDBE] subcontractor is ineligible to work on public works projects because of suspension and debarment proceedings pursuant 2 CFR Parts 180, 215 and 1,200 or applicable state law;
  - (vii) [OCC] ha[s] determined that the listed DBE[ /ACDBE] subcontractor is not a responsible contractor;
  - (vi) The listed DBE[ /ACDBE] subcontractor voluntarily withdraws from the project and provides to [OCC] written notice of its withdrawal;
  - (vii) The listed DBE[ /ACDBE] is ineligible to receive DBE[ /ACDBE] credit for the type of work required;
  - (viii) A DBE[ /ACDBE] owner dies or becomes disabled with the result that the listed DBE[ /ACDBE] contractor is unable to complete its work on the contract;
  - (ix) Other documented good cause that [OCC] determine[s] compels the termination of the DBE[ /ACDBE] subcontractor. Provided, that good cause does not exist if the prime contractor seeks to terminate a DBE[ /ACDBE] it relied upon to obtain the contract so that the prime contractor can self-perform the work for which the DBE[ /ACDBE] contractor was engaged or so that the prime contractor can substitute another DBE[ /ACDBE] or non-DBE[ /ACDBE] contractor after contract award.
- (4) Before transmitting to [OCC] its request to terminate and/or substitute a DBE[ /ACDBE] subcontractor, the prime contractor must give notice in writing to the DBE[ /ACDBE] subcontractor, with a copy to [OCC], of its intent to request to terminate and/or substitute, and the reason for the request.
- (5) The prime contractor must give the DBE[ /ACDBE] five days to respond to the prime contractor's notice and advise [OCC] and the contractor of the reasons, if any, why it objects to the proposed termination of its subcontract and why [OCC] should not approve the prime contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), [OCC] may provide a response period shorter than five days.
- (6) In addition to post-award terminations, the provisions of this section apply to pre-award deletions of or substitutions for DBE[ /ACDBE] firms put forward by offerors in negotiated procurements.

The undersigned acknowledges these requirements on behalf of the below-listed entity.

If the Contractor/Consultant is a joint venture, the insurance certificate should name the joint venture, rather than the joint venture partners individually, as the primary insured. In accordance with the solicitation documents applicable to the agreement at the time Contractor/Consultant submits to City its executed agreement, Contractor/Consultant must satisfy all insurance and bonding requirements required by this Appendix B and applicable by law, and provide the required written documentation to City evidencing such compliance. In the event that Contractor/Consultant does not comply with such submittal requirements within the time period established by the solicitation documents applicable to the agreement, City may, in addition to any other rights City may have under the solicitation documents applicable to the agreement or under applicable law, make a claim against any bid security provided by Contractor/Consultant.

an insurer acceptable to City and submits to City evidence of its compliance with these conditions.

Contractor/Consultant's failure to comply with all insurance and bonding requirements set forth in this Appendix B and applicable to the agreement will not relieve Contractor/Consultant from any liability under the agreement.
