The following questions and/or clarifications were requested by various Contractors:

- 1. Question:** We understand the initial term of the contract for each project is 3 years with additional 2 year renewal terms. The service under these contract will be defined in the Task order when issued and performance and payment bond is required for the performance of the work. However we did not see a minimum or maximum contract value that can be used to set the limit of the required P&P bond and the EBO goal value. Would you please provide contract value for each project?

Answer: The City of Atlanta's budget is confidential.
